Doing Business in Russia Part III: Navigating company and labor law

Posted: 12 Sep 2011 06:56 AM PDT

This is the third post in a series highlighting KPMG's annual "Doing Business in Russia" report.

KPMG provides an overview of company and labor law in a section of its annual Doing Business in Russia report. With various facets associated with company law, including navigating parent liabilities, registration and payment of capital, KPMG guides its readers toward a sound business structure.

Lord Mayor of the City of London: Making Moscow a financial center

Posted: 13 Sep 2011 04:09 PM PDT

By the time I come to the end of my year-long term as the Lord Mayor of the City of London, I will have spent almost 100 days overseas; visiting countries and financial centers identified as key target markets by leading City firms, promoting the City as an attractive location for international investment and helping international firms to overcome any barriers that may be impeding market access.
